SUBJECT: Summer Walking Guided Tours in the Valley of the Temples

The Association “Valley of the Temples” of Agrigento would like to inform you about our special offer of guided tours in the Valley of the Temples, the Archeological Museum as well as the historical center of Agrigento.

This service will be available all year, and is particularly requested in Summer.

Our tour guides will be happy to meet you at the gazebos near the ticket offices of the two entrances (the white gazebo at the “Temple of Juno” entrance and the yellow gazebo at the “Porta V” entrance).

The guided tour is for groups from eight to ten people and it costs ten euros per person. It is free for those under 18 years of age.

You will just have to wait a few minutes for the guide to form a group. The service is available in Italian, English, German, Spanish, Greek and Portuguese. We are looking forward to showing you our breathtaking temples.

We kindly ask you to consider our offer. Do not hesitate to call us for further information.

The Valley of the Temples is open until midnight in the summertime.

Thank you for your collaboration.

Agrigento, May 2010

The President of the Association
